

## **IOB endorses all MBS Banking qualifications**

Milpark Business School (MBS) and the Institute of Bankers in South Africa (IOB) recently renewed the Service Level Agreement (SLA) between them. Whilst the core components of the SLA remain the same the IOB has endorsed all of the remaining MBS Banking qualifications thus ensuring recognition of each of these outstanding qualifications. Both parties are extremely satisfied with the outcomes from the SLA entered into last year and now look forward to an even stronger working relationship into the future.

Regular monthly meetings take place between the two Institutions to ensure that our students' needs are best catered for. In addition to this, all graduates of the MBS Banking Certificate qualifications are now eligible to apply to the IOB for the Registered Banker (RBSA) designation and providing that certain other requirements are met, can add this after their name. Graduates from our Higher Diploma can also apply to the IOB for the prestigious CAIB(SA) designation and providing that other requirements are met, can also add this after their name.
