

SHORT COURSE CERTIFICATE IN RISK MANAGEMENT

DESCRIPTION

This short course is designed to equip students with the basic knowledge needed to identify risk, evaluate risk and manage risk financing.

ADMISSION REQUIREMENTS

A knowledge, comprehension and application of the English language at NQF level 4 (Grade 12 or equivalent).

CERTIFICATION

On successful completion of the programme, the student will receive a *Short Course Certificate in Risk Management* from Milpark Business School. This short course is presented at NQF level 5.

EXIT LEVEL OUTCOMES

On completion of Milpark Business School's short course *Certificate in Risk Management*, the qualifying student should be able to understand and apply the fundamental principles of risk management.

PROGRAMME OUTLINE

Categories of risk

Management of risk

Business failure

Specialised risks

The unique risks to which banks are exposed

ASSESSMENT

Students are required to submit an assignment, which contributes 30% to the final mark. Students will write a final summative assessment at the end of the workshop week, which contributes 70% to the final mark. In order to pass the short course, students need to obtain at least 40% in the final summative assessment and an overall mark of at least 50%.

DURATION

This is a three-day, full-time short course. It can also be presented part-time.

FURTHER STUDIES

Students who have completed this short course certificate may articulate onto other short courses. Depending on the student's academic background, other Milpark Business School whole qualifications may also be available to the student.
