PLEASE NOTE:

1. Please note that the award of a CAT based on a credit achieved previously is a concession that is made on the basis of a set of academic criteria. It is not necessarily automatic and depends on a variety of factors including the receiving institution, the date achieved and the scope of the material covered. Milpark Education retains the right to exercise academic discretion in respect of these determinations as part of its academic quality assurance process.
2. CAT will only be awarded for Milpark completed modules. No external CAT will be considered.
3. No fee is charged for internal CAT.
4. The CAT request will be processed within 7 days of receipt of your CAT application.
5. Milpark will provide a **Letter of completion** as proof of credit accumulation and transfer. No certificate is awarded.
