### IMPORTANT:

Please note that should exemptions be granted, it will be done on condition that you commence your studies on this qualification within the current academic year. Should you fail to do so, you would be required to reapply for exemptions.

**The exemption process takes a minimum of 7 working days (local students).** It is advisable that you do not register for any modules until you have received feedback regarding your exemption application. Should you however register for modules that you have subsequently received exemption for, and the books are dispatched, you will be held liable for a cancellation fee (only considered if cancelled by close of registration date for that semester).

Exemptions will only show on your academic record once you have passed at least one module on the Milpark qualification.
