

QUALIFICATION: Higher Certificate in Financial Products (SAQA ID 97754, NQF LEVEL 5)
MODE OF DELIVERY: DISTANCE LEARNING (Claremont)

DESCRIPTION AND PROGRAMME PURPOSE

The purpose of this industry-oriented qualification is to provide “representatives” (as defined in the Financial Advisory and Intermediary Services Act (FAIS Act)) who advise clients on basic risk and savings products with introductory knowledge and practical techniques for their current roles. The qualification is primarily aimed at representatives who work in Long-term Insurance (as a class of business) and who require knowledge on the relevant legislation, products as well as personal selling skills in order to be successful representatives.

The Higher Certificate in Financial Products appears on the Financial Sector Conduct Authority’s (FSCA) list of recognised qualifications for FAIS Fit and Proper purposes. On completion of selected modules, students may apply to receive certificates for the following Classes of Business as per BN194 2019:

- Long-term Insurance
- Short-term and Long-term Deposits.

The qualification will equip students with the required knowledge and skill to provide sound advice to clients on products outlined in Categories B1 and B2 of the FAIS Act, while also providing them with a basic understanding of the more complex products that clients may have. The knowledge emphasises general principles applicable to long-term insurance and the application of these principles in the financial services industry.

WHO SHOULD ENROL

The programme would be suitable for:

- Representatives advising clients on basic risk and savings products (Long-term Insurance as a class of business).
- Persons working in the financial services industry requiring a qualification to meet the competency requirements for FAIS Fit and Proper purposes set for Category 1 FSPs within the sub-categories of Long-term Insurance Category A, B1 and B2.
- Persons working in an administrative role in a financial services practice and who may want to transition into a representative role in future.

PROGRAMME OUTCOMES

Successful completion of this qualification should enable the student to:

- Operate in a compliant manner as a representative in the financial services industry.
- Demonstrate an informed understanding of the structure and nature of long-term insurance and the role-players involved in the industry.
- Recommend suitable financial products based on the outcome of a needs analysis.
- Demonstrate personal selling skills in the financial services context.

MODULE DESCRIPTIONS

Investment and Savings Products ISPR01-5

The purpose of this module is to provide students with an in-depth understanding of the savings and investment products available to address the wealth creation needs of a client. The provision of advice on financial products is governed by the FAIS Act in South Africa and this module covers the prescribed process of gathering relevant information, analysing the client's savings and investment needs, considering a range of products, recommending a suitable product and explaining the rationale for the selection to the client, as well as keeping adequate records. *Regulatory Environment RENV01-5* and *Long-term Insurance – Environment and Concepts LIEC01-5* are prerequisites for this module.

Long-term Insurance – Environment and Concepts LIEC01-5

The purpose of this module is to familiarise the student with the financial services industry and to introduce certain key concepts applicable to long-term insurance. An informed understanding of the core areas and concepts is required before students attempt the modules that focus on product advice.

Regulatory Environment RENV01-5

The purpose of this module is to introduce students to the main pieces of legislation applicable to their roles as representatives or financial services providers in the South African financial services industry. The focus is on enabling the students to comply with the legislation applicable to them, and therefore only relevant sections of the most important Acts will be covered, with the focus on the practical implications of these provisions.

Risk Products RIPR01-5

The purpose of this module is to provide students with an in-depth understanding of the basic life insurance products available to address the financial risks that a client faces, as part of the wealth protection process. The provision of advice on financial products is governed by the FAIS Act in South Africa, and this module covers the prescribed process of gathering relevant information, analysing the client's risk needs, considering a range of products, recommending a suitable product and explaining the rationale for the selection to the client, as well as keeping adequate records. *Regulatory Environment RENV01-5* and *Long-term Insurance – Environment and Concepts LIEC01-5* are prerequisites for this module.

Personal Selling Skills PSSK01-5

The purpose of this module is to develop the student's personal selling skills. The focus is on the provision of sound advice and excellent service, thereby creating a loyal client base. Students are taught to use the features and benefits of products to address clients' needs and to communicate solutions to clients in a way that enables them to make sound and informed decisions. *Regulatory Environment RENV01-5* and *Long-term Insurance – Environment and Concepts LIEC01-5* are prerequisites for this module.

ADMISSION REQUIREMENTS

For entry into the Higher Certificate, candidates require a Senior Certificate (SC) or a National Senior Certificate (NSC), as certified by Umalusi, with a minimum mark of 40% in English, the language of instruction at Milpark Education.

Other certificates

Any applicant who has a certificate other than a South African National Senior Certificate has to provide:

- a SAQA Certificate of Equivalence, if they want to enrol for a Higher Certificate, Advanced Certificate, Diploma or Postgraduate qualification (www.saga.org.za)
- or a USAF Exemption Certificate, if they want to enrol for a Bachelor's degree (<https://mb.usaf.ac.za/>).

Recognition of Prior Learning (RPL) applications

Milpark admits a small number of students onto its programme via Recognition of Prior Learning (RPL). Applicants interested in applying via RPL will be considered individually by the relevant Dean.

MODE OF DELIVERY

The following mode is available for this specific programme: Distance learning (DL). Please note that there are mode factsheets available that explain each mode in detail.

ACCESS TO TECHNOLOGY

Milpark provides students with materials, resources, formative assessments (including online tests and quizzes), discussion opportunities and a number of administrative services as part of the *myMilpark* and *myCourses* online tuition and support environments. Course materials include additional external resources in the form of links to downloadable documents, websites and videos.

Having access to the above online facilities is essential for efficient communication, learning and success. You will need continuous (daily) access to study, to use the resources mentioned above, and to submit and receive your assignments.

Minimum system requirements

1. Reliable broadband internet access
2. Firefox/Internet Explorer/Chrome web browser
3. Microsoft Word
4. PDF Viewer
5. Ability to scan and upload documents
6. Email/cellphone for notification and communication.

STUDENT SUPPORT

Library access

The Milpark Library provides access to e-books in a virtual library called Cyberlibris (Scholartext). Lecturers create smart bookshelves per course or module for students to access (these shelves can contain prescribed and recommended books). Students can also create their own personal smart bookshelves containing resources for their studies. Having access to a digital library means that thousands of students can access books and resources online from anywhere at the same time. There is no need to make reservations and requests, and no limit on the time a student has to access a book. With the implementation of Cyberlibris, students also have access to full-text resources via ProQuest (global), Ebsco (global) and Sabinet (South African publications) to assist with research and to enrich their learning experience. Access to the Library is included in the module fee.

Tutor

Comprehensive student support services are available. Students are provided with administrative support by Student Services. To assist with understanding content, students have access to tutors whom they can contact individually. Students who experience study and/or personal problems have access to a student counsellor. All support services are available to registered students via *myMilpark* (*myCourses*).

RULES OF PROGRESSION

Students are required to complete five modules. Students have to enrol for the two introductory modules (*Regulatory Environment* and *Long-term Insurance – Environment and Concepts*) before attempting the modules that focus on products and advice.

ASSESSMENT

Formative assessment contributes 30% to the final mark and consists of assignments. The exact formative structure per module will be communicated to you at the start of the semester.

Students will complete a final, summative assessment per module at the end of each semester, which contributes 70% towards the final mark. Students need to obtain a sub-minimum mark of 40% in the final, summative assessment and an overall mark of 50% in order to pass the module.

DURATION

Part-time distance-learning students have a minimum of one year and a maximum of five years to complete this qualification.

CERTIFICATION

On successful completion of the qualification, the student will receive a Higher Certificate in Financial Products, NQF Level 5 (credits: 120). The Higher Certificate in Financial Products is accredited by the Higher Education Quality Committee of the Council on Higher Education (CHE).

FURTHER STUDIES

Milpark Education is committed to the process of lifelong learning and opening access to higher education. Completion of the Higher Certificate meets the minimum entry requirement for admission to an appropriate Advanced Certificate.

Milpark offers an Advanced Certificate in Financial Planning and students who have completed the Higher Certificate in Financial Products will have to complete the module *Financial Planning Income Tax FPIT02-5* in order to be admitted to this Advanced Certificate in order to bridge the gap to comprehensive financial planning.

Horizontally, students may also elect to move into the field of financial planning with the Milpark Higher Certificate in Financial Planning. Accumulated credits may also be presented for admission into a cognate Diploma or Degree.

A student who transfers from one qualification to another within Milpark Education may be given credit for some modules successfully completed. Beyond Milpark Education, this qualification should articulate with other qualifications in the relevant fields of insurance and financial planning.

A student who has completed certain modules on this qualification at Milpark Education and who wishes to transfer to another tertiary-level institution, should be able to apply for exemption from relevant modules on the basis of the modules that have been passed at Milpark Education.

PRICING

All module fees include one round of formative and summative assessments (supplementary examinations excluded). All Milpark study material is included in the module fee.
