#### **MODULE DESCRIPTIONS**

# Compulsory

# **Introduction to Financial Planning Environment IFPE01-5**

This module aims to provide a foundational understanding of the legislative framework governing the financial planning sector in South Africa. Students will delve into key laws that directly impact financial planning practices, their clients, and the products they manage. By interpreting the relevance of these regulations, understanding the roles and responsibilities of various stakeholders in the financial planning environment, and applying this knowledge to ensure compliance and offer advice, students will be able to effectively navigate and adhere to the regulatory requirements effectively. Upon completion of this module, students will be familiar with the regulatory environment and able to implement these regulations to enhance their professional practice and client interactions.

# Financial Planning: Income Tax FPIT02-5

The purpose of this module is to provide students with a detailed knowledge of income tax and to enable them to apply this knowledge to a client scenario relevant to financial planners.

## **Retirement and Investment Planning RIPL01-5**

This module is aimed at providing students with an understanding of the financial planning process. The student will be introduced to the capital needs analysis as it applies to a client's investment needs. The student will also be provided with an in-depth knowledge of the structure, nature, tax consequences, features and benefits of various products that are designed to address the client's investment needs.

### **Risk Planning RPLA02-5**

This module is aimed at providing students with fundamental knowledge of the risk needs that clients may have in various life stages. Students are introduced to short-term, long-term and healthcare planning with reference to specific risks, legislation and factors relevant to each discipline. Students are required to perform a capital needs analysis to establish client needs at various life events. The module provides an in-depth understanding of specific product solutions to meet risk needs. Students are equipped to analyse and compare features, benefits and applicable legislation relevant to various products in order to recommend suitable solutions to client needs. Upon completion of this module, students will be familiar with the risk planning aspects of the financial planning practice and able to address risk concerns to enhance their professional services to clients.

### **Electives**

# **Retirement Funds RFUN12-5**

This module aims to build a theoretical foundation of retirement planning by providing an understanding of the regulatory environment within which retirement funds operate, the types of retirement funds, the structure of the different types of benefits provided by these funds, and the applicable tax implications. *This module is available only in Semester 1.* 

#### Wills and Administration of Deceased Estates WADE02-5

This module aims to provide students with the requisite knowledge and skills to determine the impact of different factors on a person's legal capacity and estate. For example, an important factor is the type of marital regime that applies to married persons. Students will be able to explain and apply the principles of the law of succession. Students will learn about the formalities required for a valid Will and apply their knowledge to make a recommendation with regard to the validity of a Will. Limited rights will be covered in the context of Wills. Students will be able to differentiate between the types of limited rights and assess their suitability in the context of a Will or client scenario. Students will learn about trusts and the deceased estate administration process. They will assess the suitability of a trust used as an estate planning mechanism and be able to provide an overview of the deceased administration process. This module is available only in Semester 1.

## **Health Planning HEPL01-5**

This module is aimed at providing students with an understanding of the healthcare environment in which medical schemes operate. In this module, we take a closer look at the Medical Schemes Act, 1998 (Act No. 131 of 1998) and its regulations, and the application thereof in terms of membership requirements, entitlements, waiting periods and late-joiner penalties. We also look at the relevant provisions of the Income Tax Act, 1962 (Act No. 58 of 1962) and deal with the income tax treatment of medical expenses. This module is available only in Semester 2. On completion of the HEPL01-5 module, a student can apply to receive a Class of Business completion letter for the Class: Health Services Benefits.

#### **Retirement Funds Administration RFAD01-5**

This module is aimed at providing students with an understanding of the management of retirement funds and the responsibilities of critical roleplayers to ensure that retirement fund investments are managed in compliance with Regulation 28 of the Pension Funds Act, 1956. The legislative and ethical duties of the various roleplayers are detailed to ensure that members' interests are always protected. Students will also be apprised of the importance of being in "good standing" with relevant authorities, such as the South African Revenue Services (SARS) – failing which, pension funds and their members may not enjoy the benefits of favourable tax treatment associated with compliant funds. Last but not least, students are taught that roleplayers, such as employers, sponsors and boards of trustees, are compelled to ensure that their customers, being members of a pension fund, comply with the six principles of the Financial Sector Conduct Authority's (FSCA) mandatory Treating Customers Fairly (TCF) framework. *This module is available only in Semester 2*.

# **Basic Principles of Business Financial Planning BPBF02-5**

This module aims to empower students with essential knowledge and skills in business financial planning. By exploring different business entities and gaining proficiency in financial statement analysis and corporate taxation, students will be equipped to conduct thorough business needs analyses and offer strategic recommendations for financial planning solutions. Furthermore, students will learn to articulate their findings through professional report writing. Additionally, the module will provide insights into advising clients on employee benefits, rounding out students' expertise in business financial planning.

# **Relationship Marketing for Financial Planners RMFP02-5**

The purpose of this module is to provide students with an understanding of the importance of securing, managing and maintaining client relationships, which are increasingly being recognised as core to the success of any

financial planning practice. Furthermore, industry landscape changes, such as the implementation of the FAIS Code of Conduct, Retail Distribution Review, and Treating Customers Fairly, bring about the need for financial planners to be more client-centric in their quest to build a successful financial planning practice.

#### **Personal Lines Insurance PERL01-5**

The purpose of the module is to equip students with the knowledge and skills required by Personal Lines insurance specialists operating within the South African insurance environment. Students will be competent and able to provide Personal Lines insurance advice for Personal Lines insurance products. This module is also aimed at providing students with an understanding of the general principles underlying Personal Lines insurance, the nature and structure of the different Personal Lines products, the analysis of underlying risks on a proposal and the claims process. On completion of the PERL01-5 module, a student can apply to receive a Class of Business completion letter for the Class: Short-term Insurance: Personal Lines.

### MINIMUM ADMISSION REQUIREMENTS

For entry into the Higher Certificate, candidates require a Senior Certificate (SC) or a National Senior Certificate (NSC), as certified by Umalusi, with at least a pass in English, the language of instruction at Milpark Education.

Applicants must, at a minimum, submit the following **documents** with their application:

- Copy of South African 13-digit identity document or valid passport
- Copy of Matric/National Senior Certificate OR international school leaving certificate with SAQA Equivalence Certificate.

**Note**: The documents listed above represent the minimum requirements. Applicants may be asked to provide additional supporting documentation if further evidence is needed. Applicants are encouraged to provide all supporting documentation at the time of applying so as to avoid unnecessary delays in the processing of their application.

### Other / International certificates

Further to the requirements for admission provided above, foreign nationals or South African nationals seeking to apply for admission onto the qualification based on a non-South African/foreign senior school leaving certificate, must obtain and submit to Milpark, a Certificate of Equivalence from the South African Qualifications Authority (SAQA) (<a href="www.saqa.org.za">www.saqa.org.za</a>).

Applicants with foreign senior school leaving certificates, who have already completed the equivalent of a South African Grade 12, are required to submit their SAQA Certificate of Equivalence at the time of applying online for the Milpark Higher Certificate.

Foreign nationals residing in South Africa on a temporary visa must provide proof from the South African Home Affairs offices that they are permitted to study and enrol for studies at the tertiary level.

## Recognition of Prior Learning (RPL) applications

Milpark admits a small number of students onto its programme via Recognition of Prior Learning (RPL). Applicants interested in applying via RPL will be considered individually by the relevant Programme Oversight Manager.

Applicants for the Higher Certificate in Financial Planning must have a minimum of one year of relevant work experience.

Applicants will be required to provide evidence as outlined below when applying for admission via the RPL route:

- Comprehensive curriculum vitae
- Evidence of applicant's level of knowledge and prior experience and/or education, providing the following if available:
  - DOFA certificate (date of first appointment with FSCA as a representative)
  - Regulatory exam.

Successful Recognition of Prior Learning (RPL) applicants will receive conditional admission to the Introduction to Financial Planning Environment module (IFPE01-5) in their first semester. Full admission will be granted upon successful completion of this module, allowing students to continue with the remainder of the qualification.

Click on RPL School of Financial Services to view the RPL requirements for other Financial Services programmes.

## **MODE OF DELIVERY**

The following mode is available for this specific programme: Distance learning (DL).

For more information, such as tips to help prevent technical issues during an online proctored assessment, visit Technical requirements.

#### STUDENT SUPPORT

## **Library access**

The Milpark Library provides access to e-books in a virtual library called Cyberlibris (Scholartext). Lecturers may create smart bookshelves per course or module for students to access (these shelves can contain prescribed and recommended books). Students can also create their own personal smart bookshelves containing resources for their studies. Having access to a digital library means that thousands of students can access books and resources from anywhere at the same time online. There is no need to make reservations and requests, and no limit on the time a student has to access a book. With the implementation of Cyberlibris, students also have access to full-text resources via ProQuest (global), Emerald (global), Ebsco (global) and Sabinet (South African publications) to assist with research and to enrich their learning experience. Access to the Library is included in the module fee.

#### **Tutor**

Comprehensive student support services are available. Students are provided with administrative support by Student Services. To assist with understanding content, students have access to tutors whom they can contact via the tutor forum on the course page. Students who experience study and/or personal problems have access to a student counsellor. All support services are available to registered students via *myMilpark* (*myCourses*).

### **RULES OF PROGRESSION**

Students are required to complete four compulsory and two elective modules. Students may not start with an elective module. It is recommended that students start with the module *Introduction to Financial Planning Environment IFPE01-5*.

# **ASSESSMENT**

Formative assessment contributes 30% to the final mark and consists of a combination of assignments and tests. The exact formative structure per module will be communicated to students at the start of the semester. Students will complete a final, summative assessment per module at the end of each semester, which contributes 70% towards the final mark. Students need to obtain a sub-minimum mark of 40% in the final, summative assessment and an overall mark of 50% in order to pass the module.

#### **DURATION**

Students have a minimum of one year and a maximum of five years to complete this qualification.

### **CERTIFICATION**

On successful completion of the qualification, the student will receive a Higher Certificate in Financial Planning, NQF Level 5 (minimum credits: 120). The Higher Certificate in Financial Planning is accredited by the Higher Education Quality Committee of the Council on Higher Education (CHE).

Please note that the *Higher Certificate in Financial Planning* was previously known as the *Certificate in Financial Planning*. The name has been amended in accordance with the requirements of the Higher Education Qualifications Sub-Framework (HEQSF).

#### **FURTHER STUDIES**

Milpark Education is committed to the process of lifelong learning and opening access to higher education. The programme is at NQF Level 5 and will provide for articulation options into NQF Level 6 programmes. Students may narrowly proceed to Milpark's Advanced Certificate in Financial Planning, NQF Level 6. Students may also articulate to the Milpark Bachelor of Commerce degree (NQF level 7) with major in financial planning.

A student who transfers from one qualification to another within Milpark Education may be given credit for some modules successfully completed. Beyond Milpark Education, this qualification should articulate with other qualifications in the relevant fields of Financial Planning.

A student who has completed certain modules on this qualification at Milpark Education and who wishes to transfer to another tertiary-level institution should be able to apply for exemption from relevant modules on the basis of the modules that have been passed at Milpark Education.

# **PRICING**

All module fees include one round of formative and summative assessments (supplementary examinations excluded). All Milpark study material is included in the module fee.

#### **DISCLAIMER**

The content of this brochure is accurate at the time of going to print. Milpark Education reserves the right to change the programme content due to changes in legislation, market requirements and other reasons. Notice of such changes will be published on our website.
