RPLA02-5**

This module is aimed at **providing students with a fundamental knowledge about the various risk** needs that clients may have in various life stages. Students are introduced to short-term, long-term and healthcare planning with reference to specific risks, legislation and factors relevant to each discipline. **Students are required to perform a capital needs analysis** to establish client needs at various life events. The module provides an in- depth understanding of specific long-term and healthcare product solutions to meet risk needs. Students are equipped to **analyse and compare features**, benefits and applicable legislation relevant to various long-term products to recommend suitable solutions to client needs.

## Electives

### Retirement Funds RFUN12- 5

This module is aimed at **providing students with an understanding of the regulatory environment** within which retirement funds operate, the types of retirement funds, the structure of the **different types of benefits** provided by these funds, as well as the applicable tax implications. *This module is available only in Semester 1.*

This module is aimed at **providing students with an understanding of the impact** of the different marital regimes on the capacity and estate of a person, testate and intestate succession, limited rights that can be created, trusts, formalities for a valid Will and the process of **administration of deceased estates**. *This module is available only in Semester 1.*

### Wills and Administration of Deceased Estates WADE02-5

### Health Planning HEPL01-5

This module is aimed at **providing students with an understanding of the healthcare environment** in which medical schemes operate. In this module, we take a closer look at the **Medical Schemes Act, 1998 (Act No. 131 of 1998)** and its regulations, and the application thereof in terms of membership requirements, entitlements, waiting periods and late-joiner penalties. We also look at the relevant provisions of the **Income Tax Act, 1962 (Act No. 58 of 1962)** and deal with the income tax treatment of medical expenses. *This module is available only in Semester 2. On completion of the HEPL01-5 module, a student can apply to receive a Class of Business certificate for the Class: Health Services Benefits.*

This module is **aimed at providing students with an understanding** of the management and administration of retirement funds, as well as the management of the **investment funds** that retirement funds are invested in. *Retirement Funds RFUN12-5 is a prerequisite for Retirement Funds Administration RFAD01-5. ## Student Support

### Library access

The Milpark library provides **access to eBooks in a virtual library called Cyberlibris (Scholartext)**. Lecturers may create smart bookshelves per course or module for students to access (these shelves can contain prescribed and recommended books). Students can also create their own personal smart bookshelves containing resources for their studies. Having access to a digital library means that **thousands of students** can access books and resources from anywhere at the same time online.

There is **no need to make reservations** and requests, and no limit to the time a student has to access a book. With the implementation of Cyberlibris, students also have access to full-text resources via ProQuest (global), Ebsco (global) and Sabinet (South African publications) to assist with research and to enrich their learning experience. Access to the library is included in the module fee.

### Tutor

Comprehensive student **support services are available**. Students are provided with administrative support by Student Services. To assist with understanding content, students have access to tutors whom they can contact individually. Students who experience study and/or personal problems have access to a student counsellor. **All support services are available** to registered students via *myMilpark (myCourses)*.

# 10

## Rules of Progression

Students are required to **complete four compulsory and two elective modules**. Students may not start with an elective module. It is recommended that students start with the module *Introduction to Financial Planning Environment IFPE01-5*. There are no module prerequisites other than those applicable to the *Retirement Funds Administration* module.

# 11

## Assessment

Formative **assessment contributes 30%** to the final mark and consists of a combination of assignments and tests. The exact formative structure per module will be communicated to the student at the start of the semester.

Students will complete a final, summative assessment per module at the end of each semester, which **contributes 70% towards the final mark**. Students need to obtain a sub-minimum mark of 40% in the final, summative assessment and an overall mark of 50% in order to pass the module.

# 12

## Duration

Students have a **minimum of one year and a maximum of five years** to complete this qualification.

# 13

## Certification

On successful completion of the qualification, the student will receive a **Higher Certificate in Financial Planning, NQF Level 5 (minimum credits: 120)**. The Higher Certificate in Financial Planning is accredited by the Higher Education Quality Committee of the Council on **Higher Education (CHE)**.

## Note

The Higher Certificate in Financial Planning was **previously known as the Certificate in Financial Planning**. The name has been amended in accordance with the requirements of the **Higher Education Qualifications Sub-Framework (HEQSF)**.

## 14 Further Studies

Milpark Education is committed to the process of lifelong learning and opening access to higher education. The programme is at **NQF Level 5** and will provide for articulation options into **NQF Level 6** programmes. Students may narrowly proceed to **Milpark's Advanced Certificate in Financial Planning, NQF Level 6**. Students may also articulate to the Milpark Bachelor of Commerce degree (NQF level 7) with major in financial planning.

A student who transfers **from one qualification to another within Milpark Education** may be given credit for some modules successfully completed. Beyond Milpark Education, this qualification should articulate with other qualifications in the relevant fields of Financial Planning.

A student who has **completed certain modules on this qualification at Milpark Education and who wishes to transfer to another tertiary-level** institution should be able to apply for exemption from relevant modules on the basis of the modules that have been passed at Milpark Education.

## 15 Pricing

All module fees **include one round of formative and summative assessments** (supplementary examinations excluded). Module fees do not include the cost of prescribed textbooks, which will be for the student's own account. The prescribed book list will be available on *myMilpark* on registration.
