Upon successful completion of this programme, students can apply for admission onto the BCTA Bridging programme.

## The minimum requirements for admission to the BCTA Bridging Programme are as follows:

An appropriate Bachelor of Commerce Degree, Diploma or equivalent qualification at NQF level 7. The qualification should, at minimum, include study of **Financial Accounting/Reporting**, aimed at preparing students to be Chartered Accountants, up to NQF level 6.

For a qualification to be considered “appropriate”, it would usually have been obtained from a **SAICA-accredited institution**. If the undergraduate qualification is not from a **SAICA-accredited** institution, the applicant would need to demonstrate that their undergraduate qualification is aligned with SAICA’s competency framework.
